PARKING: (Please read the following information before you select driving directions)

WARNING: Be advised that if you are scheduled for a morning appointment, you and your patient will need to enter the parking structure at the opposite (East) end of the mall near Sears, since **mall security does not open the parking areas for access until 8:30-9:00 am.**

You may also encounter mall security during early morning parking access requesting ID. We will inform them in advance that we are expecting guests for WREB Clinical Exams. Please advise security that you have an appointment with Carrington College at the Dental Hygiene Facility on the **first floor**. Otherwise, they may try to send you to a different parking area, since the main campus is on the 3rd floor.

Parking is abundant and free in the Lloyd Center Mall Parking Garage. The most convenient access for parking close to our facility is as follows:

Early Morning Parking Access before 9:00 am:

- Travel East on Multnomah St. toward 16th Ave
- Turn left at the stoplight directly adjacent the Cinema to access the Underground Parking area. Sometimes there will be a Lloyd Center Security Guard posted to verify that you have business at the mall. If so, tell them you have an appointment at Carrington College Dental Hygiene Clinic on the First floor of the Mall
- At the end of the short dead end street past Sears and Marshalls, you will need to turn left, but as you start to veer left into the street level parking close to Sears and Marshalls, you will notice a ramp to the **immediate right that descends** directly into the parking area under the building.
- Once you have entered the tunnel, **follow the parking track on the left that descends slightly, all the way to the other end of the underground mall parking area closest to the west end of the mall.**
- This will place you on the lowest level of parking facility adjacent to the mall entrance, which is closest to the dental hygiene facility.
- Enter the mall and walk directly past the escalators across the width of the mall commons area to the Carrington College Dental Hygiene Clinic.

Parking after 9:00 am:

- 9th avenue entrance to the Mall between Halsey and Multnomah Avenue. Follow the parking track at the T, to the **left** and **down** to the lowest level of parking and turn directly right into the parking area. Enter the mall and cross the mall commons area past the escalators and up three steps directly to our clinic facility on the first floor of the mall.

OR:

- Just off Multnomah Ave. behind Stanford's Restaurant closest to the corner of Multnomah and 9th Ave., there is parking directly next to our clinic across from the Double Tree Hotel. Our operatory light poles will be visible in the windows from this parking area. You can enter the mall at the West end between Stanford's and Nordstrom. Our facility is the first suite on the right as you enter from the West end of the mall at the corner of Multnomah and 9th Ave.

COURTESY ANESTHESIA:

Practitioner's meeting the criteria in the Candidate Guide will be available to provide anesthesia for an additional fee of \$50.00, provided in cash directly to the clinician. Please make arrangements in advance with the site coordinator, for this service to be available. You may confirm this option during your clinical orientation.

OPERATORY INFORMATION:

There are left handed ops available by advance arrangement with WREB.

RADIOLOGY:

We are set up for Dentrax Digital using Phosphor plates or traditional Analogue for radiology procedures. However, if you use digital format, there is a rather time-intensive process you will need to follow to make them available as a hard copy for the examiners. Please bring several sheets of your own photographic paper for printing digital x-rays. FMX duplicate film packs for analogue processing are available at a cost of \$15.00 for 18 films including 2 mounts for a FMX set. Plan to pay by check or cash for these items. Use of the radiology bays are also limited to the exam dates and are not available prior to the examination.

ULTRASONICS:

We do **not** have ultrasonic units available for rental. The units are set up for quick disconnect to the water and air lines.

HANDPIECES:

Slow speed ports: Our connections fit standard 4-hole fixed connection hygiene handpieces. We do not have handpieces available for rental.
