

# LOOKING TO TAKE YOUR DENTAL OR DENTAL HYGIENE LICENSING EXAMINATION?

Choose WREB to Support  
You Throughout the Entire  
Examination Process!

**Multiple Exam Formats:** WREB offers our exams in a variety of formats including patient- and manikin-based.

**Conveniently Located Exams:** WREB exams are conveniently located across the country throughout the year, with results accepted in 40 states nationwide.

**Simple Online Registration and Payment:** Visit [WREB.org](http://WREB.org) to find site information and quickly register and pay both exam and host site fees.

**Friendly and Responsive Staff:** Our WREB office and onsite staff are here to serve! We understand and quickly respond to student and faculty needs.

**Provisional Acceptance Process:** Allows dental candidates taking the patient-based exam to have Operative patients radiographically accepted by Grading Examiners prior to the exam.

**Provisional Results Available Onsite:** WREB provides provisional results onsite, with official results available within 72 hours in your online account.

**Onsite Retakes Available:** WREB is the only testing agency that offers free onsite retakes (absent of a critical error) for the Dental and Dental Hygiene exams (please see details on our website).

**Professional Liability Coverage:** WREB offers professional liability insurance with a limit amount of \$1,000,000/\$3,000,000 at no charge for the duration of the exam.

**Extensive Exam Preparation:** WREB is the first and only dental testing agency to offer a practice exam that tests your knowledge of the candidate guides, and can be accessed for unlimited attempts.

WREB pioneered the offer of a **complimentary Dental Hygiene retake exam onsite**, alleviating the stress of waiting, re-registering, and traveling to another location.

WREB provides candidates who are preparing for our exams several **Candidate Guides, Exam Forms, Clinical Exam Review Videos, and a Self-Test.**

**And more!**
